Regulations

1. The total credits required for graduation are 30 credits (comprising 16 required credits, 8 elective credits, and 6 thesis credits).
2. Credits per semester: First-year students may register for 6–16 credits in their first semester; all other semesters allow 3–16 credits.
3. Students must either complete the academic ethics course offered by the Taiwan Academic Ethics Education Resources Center and obtain a certificate of completion, or attend at least 6 hours of academic ethics-related workshops and obtain a certificate of participation. When applying for the master's thesis oral examination, students must submit one of the aforementioned certificates; only upon review and approval may the application for the oral examination proceed.
4. The course “Topics of International Business Practices” includes self-funded overseas field visit activities.
5. Students may enroll in courses required for their research offered by master's programs of other departments within the University, and credits earned upon successful completion and approval by the Department may be recognized as elective credits toward the graduation requirements of the Department's master's program, up to a maximum of 6 credits. Students may also take courses not offered by the Department's master's program at graduate institutes of other universities; however, recognition is limited to a maximum of one course with up to 3 credits, and such credits shall be included within the total elective credits recognized from external departments or institutions.
